Thank you to all the Home & School nominees who were willing to serve. Congratulations to our newly elected members of the Executive Committee:

Joanne Malone: President Elect

Karen Avallon: Fundraising

Mary Beth Carroll: Children's Programs

Donna Duddy: Secretary

Don't forget that Wednesday, May 26th, is our last general Home & School meeting and one with something for everyone. ALL the children's art will be on display – from class, the Art Fair, and Art Workshop. We recognize our 8th grade families who will no longer be one of our school families. H & S Executive Committee is introduced (including our newly elected members) and it is a time when our faculty and staff thank the many volunteers who are such an important part of our school community. The evening is topped with our Band & Choral Concert. Come and see how far your children have come since "Back to School Night." The school will be open at 6:00 for the Fine Arts displays and refreshments with the concert following at 7:00 pm. Cookbooks will also be available for your purchase.

Another Home & School activity to put on your calendar will take place on Friday, June 4th. Our parent association along with Student Government is sponsoring a Family Fun Night. Join us for a little bingo and some karaoke at 7:00 P.M.

Color Day is coming! To prepare for the event, all students may wear gym uniforms on Wednesday, May 26th.

If you missed the deadline for our SummerSkills books, we have order forms for books to be mailed directly to your home. The cost is higher than if you ordered through us, but they are still a good value and very comprehensive.

Occasionally, we have requests for names of babysitters who are interested in babysitting during the summer. If you would like us to pass along a name of someone you would recommend, please call the office to let us know.

Important school financial information that is a follow up to our Fall Home & School meeting is included with today's communication. Please be sure to check inserts so that you are informed.
