

October 30, 2003

Congratulations to our Varsity White Girls Volleyball Team! Last night, they became the Region 10 Champs by first, beating Holy Martyrs in the 1st two games and then, going on to beat St. John of the Cross in the 1st two games.

Noelle Collins, Jacqui Hungerford, and Julianne Shillington were chosen as All Stars and will compete tonight. Great job!

Some added volleyball news from Bishop McDevitt can be credited to Immaculate grads. Bishop McDevitt placed second in the northern division for Volleyball with Immaculate grads, Maggie Collins (2000) and Kerry Tuffy (2001) named First Team All-Catholic and Amy Rae (2001) named Second Team All-Catholic. We're proud of our grads!

Remind your Band student to bring home their instruments. Practice is essential when you play an instrument. There are many instruments left behind in school and it's difficult to practice without them!

We are replacing the yellow cabinet with more storage on the ground floor. There are some Brownie sit-upons and Girl Scout books on the cabinet. Please claim items that are yours (ASAP) so that they are not just thrown away when the cabinet is removed. Thank you!

Charlie Turkey and his friend, the Pilgrim, will be coming to visit our K, 1, 2, & 3 students compliments of Home & School. They will talk about the first Thanksgiving and the friends who came to eat a delicious dinner with them. Speaking of delicious dinners, Home & School is launching a pie sale for the holidays. Information for ordering is included in this week's communication.

Our Innisbrook order has arrived! Winners will be announced on Monday. If your child has not brought home your order, please pick it up during conference times. It was sorted with help from Parent Volunteers and is in the cafeteria arranged by name and

grade level. A big thank you to Joanne Malone for coordinating and taking over this big project! (We were over our goal this year, too!)
