

*Notes from Mrs. Greco
October 14, 2004*

Homecoming 2004 is ready to welcome you home. We are most grateful for the participation and dedication of our school and parish families. Each year has offered unique experiences (and great buys) for the seasoned and novice bidder. We hope to see you there!

All families have received their conference forms. Forms are due TODAY, OCTOBER 14th. Progress Reports go home on Thursday, October 21st. Our parent-teacher conferences provide a unique opportunity to collaborate as partners in your child's education. Though this meeting is often all too short, the resulting advice, strategies, and insights can help both you and the teacher enhance your child's success in school. Remember that being punctual or even early will maximize your discussion time.

InView and TerraNova testing takes place next Tuesday, Wednesday, and Thursday for Grades 4, 5, 6, 7, and 8. Please be sure that your child is rested and has a healthy breakfast on test days.

Congratulations to the following students who have assumed the role of student council representatives for the 2004-2005 school year:

Grade 5: Abigail Bamberger & Aidan Hamilton

Grade 6: Daniel Brennan, Christen Hussie, & Darcy O'Hara

Grade 7: Kevin Clark & Olivia Tarlo

*Grade 8: Jennie Hill, secretary; Billy Brennan, vice president;
and Helen Clay, president*

For 6, 7th, & 8th grade students: "i-text" is available throughout the school year for \$30 each for the subject areas of Math Course 1, Math Course 2, Math Course 3, Pre-Algebra, Algebra, Physical Science, Life Science, Earth Science. It is your child's complete text, page for page, in an interactive format.
