

*Notes from Mrs. Greco  
October 7, 2004*

Thank you for your prompt response to our request for emergency sheets. We will put our Emergency Phone Chain together and run our test phone call this month. We are still in need of designated callers. We limit the number of calls to make our chain more efficient. We need 2 callers for Jenkintown, 2 for Philadelphia, 3 for Abington, and 2 for Cheltenham in addition to those we already have. The bonus side of being a designated caller is that you receive a phone call first - at the same time faculty and staff are notified. If you are interested in being a designated caller, please let the office know 215-887-1312.
