

Notes from Mrs. Greco
December 9, 2004

Don't forget that next week is Carol Night - Wednesday at 7:00 P.M.
See you there!

Today is Report Card day. Please remember that even though our mandatory conference has already taken place, you may request a conference at any time. This is especially true if you have any questions about grading, a concern, or information for us that you feel is important to share.

Our 6th grade students have completed their study skills course presented by the Intermediate Unit. Since we are at the "new" beginning of the 2nd trimester, it's a good time for them to incorporate some of the procedures learned into their daily routine to help their organization as the content area becomes more challenging.

Please let us borrow any photographs from our Philadelphia field trips. We will scan and return them to you. Send them in an envelope marked "Field Trip Photos."

Our Art classes can use those old 2004 calendars that you soon will no longer need. The students use the pictures for various projects. Send them to the Art/Science Lab. Thank you!

Congratulations to Colleen Meyers' Cheerleading Team, the Jr. Midgets of the Abington Raiders. Colleen's cheerleading squad came in 2nd in the nation in the National Tournament held in Florida.

KidStuff coupon books are still available from our 8th grade students. You can contact an 8th grade student or leave a message in the office. They make great gifts for Christmas!

Please continue to pray for our families who have suffered a loss during this holiday season, especially the Parkes and Zygala families.
