

Notes from Mrs. Greco
May 18, 2006

Special thanks to Mrs. Twohig and our 8th grade students who made our May Procession a memorable prayer service for all. Christy Lavin was our May Crowner with her 2nd grade attendants, Nicholas Ermigiotti and Maggie Hallahan.

Color Day is next Wednesday with a dismissal at noon. Our Home & School Association is sponsoring a special fundraiser that day with Applebee's. A flyer is included with today's communication. (Buy your scrip early for lunch or dinner at Applebee's. Scrip orders can be filled at school or scrip can be bought on the weekend after Masses.) Your food and beverage purchase will automatically earn 10% for our school. Another convenience is that Dining to Donate purchases can be ordered To Go. Be sure to bring your flyer with you.

Good luck to our 8th grade students who will be visiting the Naval Academy and Baltimore Inner Harbor on Friday. Their last Fine Arts Festival will take place on Wednesday, May 31st. During the evening, our 8th grade families whose last Immaculate student will be graduating will be honored. Their final year ends on Wednesday, June 14th with graduation followed by the 8th grade dance on Thursday, June 15th.
