

Notes from Mrs. Greco  
October 5, 2006

Included with communication today is a hard copy of the Family Directory which can be placed in the family binder that contains the Guidebook and Handbook. Remember that all communication is available on the website - including our Guidebook and Handbook. We will be sending home revisions and additions to the Guidebook and Handbook this month. New families will receive their binder with the Guidebook and Handbook in its revised and updated format. Families who already have their Guidebook and Handbook will receive changed pages to insert in the binder.

The first Immaculate hosted *CYO* dance for the year will be held on Friday, October 6<sup>th</sup> from 7:30 to 10:00pm. Students in grades 7 and 8 were given rules and regulations and *CYO* sign up forms through their classroom. Please review the rules and regulations with your son/daughter as they are enforced especially when Immaculate is the host site.

A Junior *CYO* Carewalk also takes place this weekend on Sunday, October 8<sup>th</sup>. A flyer is included with more information for your 7<sup>th</sup>/8<sup>th</sup> grade student.

Next week Miss "D" will present a slide show to students to share her experiences on her summer African mission trip. On Friday, Father Quinn, a member of Priests for Life, will present a video entitled "Before You Were Born" to grades 4 to 8. It is a program narrated by children and the theme reinforces our Catholic beliefs on respecting life. The presentation will take place on October 13<sup>th</sup> at 9:30am and parents are welcome to attend. Father Quinn is available because he is in the area for the weekend to conduct programs at Villanova.

**IMPORTANT!!** It's October and our Halloween Show takes place on Halloween at 1:00pm. Please be sure to check SchoolNotes and click on Miss "D" 's notes to view the costume "needs" for your child.

**REMINDER:** Students are not permitted to e-mail assignments to school. An individual teacher may request a student to e-mail an assignment to his or her own home personal computer. The logistics of students missing class

time printing out the e-mailed assignment and using extra lab supplies is a scenario we want to avoid.

Auction tickets are ready for sale. There is also an option to add your family name to our family tree -- please see the included flyer today!

*Don't forget to read our "attachments."*
