

Notes from Mrs. Greco
May 16, 2007

ICS School Spirit Night takes place on Thursday, May 24th from 7-9pm in the Church Hall. Wear your school colors to get ready for Color Day! The cost is \$10 per family.

Thank you to the National Junior Honor Society for keeping Alex's Lemonade Stand fundraising alive. The students set up a stand today and were greeted with enthusiasm by passersby and students. Our grand total was over \$600 for this worthwhile cause!

Home & School ballots for the Executive Committee are due by May 25th. Don't forget to VOTE! Return your ballots to the school office.

We will be collecting Campbell's Labels and Boxtops for Education. You may send labels and the boxtops in to school now if you have already started saving.

Our Parish Business Manager, Ellen Mahoney, sent 85 letters last week to families with outstanding tuition and/or fee balances. The fee of \$150 per student is for supplies and technology and was first introduced in the Back to School letter last August. This fee has also been noted and explained in our past notes and most recently at the March H&S presentation. The per student fee replaces the stationery supply bills which were distributed at the end of each school year in the past.

Please remit any outstanding balance by Friday, May 25th.

Check your scrip selling schedule. Your participation is a vital part of the program's success. Get ready for the summer months and stock up on scrip!

THE PAPER RECYCLING CONTEST IS ON AGAIN! Help us through the months of May to August to meet our GOAL! We could win another \$200!!!! Remember, no trash, no telephone books, no cardboard, and nothing from the kitchen or bathroom! All junk mail, office paper, newspaper, etc. may be placed right in the yellow and green bin behind the rectory.

Library books are due!! Please help us and return your borrowed books as we inventory to get ready for the 2007-2008 school year.

Please look for:

1. LaCrosse Gym shorts uniform order due June 14th.
2. ICS School Spirit Night flyer (on the web).
3. Summer Science Day Camp flyer.
