

Notes from Mrs. Greco  
September 28, 2006

Our family email list for communication is updated so this week will be the first week that hard copies of all information will be sent home ONLY to those families who requested them. For our electronic communication, my notes in their entirety will be emailed to you (as a Word attachment) with your reminder that the website has been updated. All communication is available on the website - including our Guidebook and Handbook. We will be sending home revisions and additions to the Guidebook and Handbook in October. New families will receive their binder with the Guidebook and Handbook in its revised and updated format. Families who already have their Guidebook and Handbook will receive changed pages to insert in the binder.

Fair Trade speakers will be presenting at Immaculate on Monday, October 2<sup>nd</sup> at 7:00 pm in the Church Hall. Students (especially those whose course of study includes the Americas) are welcome as the evening will be informative and give more meaning to fundraising efforts. This year our 8<sup>th</sup> grade students will conduct a Fair Trade sale the weekend of November 11<sup>th</sup> and 12<sup>th</sup>.

The first Immaculate hosted CYO dance for the year will be held on Friday, October 6<sup>th</sup> from 7:30 to 10:00pm. Students in grades 7 and 8 were given rules and regulations and CYO sign up forms through their classroom. This weekend the CYO dance will be held at Queen of Peace. Queen of Peace will allow parents to sign in for students attending or students may use their old CYO ID card for this weekend only.

**IMPORTANT!!** If your student participates in Choral, please make sure that you check the October calendar and your child's schedule sheet. Sopranos and Altos will be separated on a few occasions for rehearsals. Since this will cut down on the number of rehearsals, a commitment to attend practices is essential.

Keep your October calendar handy - please refer to this calendar for events especially if there are any discrepancies with the parish calendar. There are many items in October that need your attention and the calendar will help you to organize your days.

Auction tickets are ready for sale. There is also an option to add your family name to our family tree -- please see the included flyer today!

--Last call for Cherrydale orders. Thank you for supporting this important Home & School fundraiser!
