

Notes from Mrs. Greco
September 6, 2007

Welcome back to school! The children are off to a good start and hopefully, your transition from summer to school will be a smooth one. There are many items in our communication today. Please keep them in a safe place if you do not have time to peruse all of them today. Listed below are a few items that need your immediate attention:

1. Please return
 - White Emergency Card
 - Salmon Emergency Closing Sheet
 - Pretzel Orders & Lunch Envelopes
 - C.A.R.E.S. calendars
 - Volunteer Time & Talent Sheet
 - "South of the Border" donation form
 - Financial Commitment form (necessary for completing the parish accounting database)

2. As mentioned in our summer mailing, please return the summer review books with your child on or before September 21st. Teachers will be using them in school with students and we will ask you to fill out a survey. Your feedback is important.

3. Check your September calendar for important dates, especially the Home & School Welcoming Party on Friday, September 14th and Back to School Night scheduled for Wednesday, September 19th.

4. We are phasing out SchoolNotes and getting set up with Teacher Web which is a similar web page program. We will keep you posted as we make this transition. As a result, teachers will be working on closing out SchoolNotes. You still may email teachers through the SchoolNotes website because it is sent to the teachers' school email address and they will receive your communication.

5. Ms. Mamrol will again be providing instructional support for students in addition to teaching 6-8 Religion. Sessions are scheduled during students' largest block of ILA time and may include students who have

missed tests, homework, etc. Support takes place in the library where students have access to laptops and reference information. Each grade level is assigned a specific time once a week.

6. Sally Foster gift wrap sale catalogs go home today with the sale ending on Friday, September 21st.
