

Notes from Dr. Greco
Thursday, May 28, 2009

As we approach the end of the school year, we bid farewell to Mrs. Cipolla, Mrs. Weidner, and Ms. Harte. Mrs. Cipolla will remain involved with Immaculate through our Art and Literature enrichment opportunities as well as serving her internship with us as she earns her Wilson Certification in the area of Reading. Ms. Harte will also continue to support us in our extracurricular areas, including the Octathlon competition. Mrs. Weidner will be at home with Jake and Lily, working part time in the area of Social Work. We will miss these dedicated teachers but wish them well as they embark in their new endeavors. We trust that the future will hold for them a new time of growth and happiness. May God protect them as they continue their life journey.

Our best wishes also to Kathy Judge as she retires from Girl Scout Leader to assume the position of Girl Scout Service Manager for the Cheltenham/Jenkintown Township. Congratulations, Kathy!

On May 18th, our top ranking First in Math students, Collin Quigley, Eddie Goebel, Krista Goebel, Rebecca Judge, and Maggie Hallahan were recognized by the Archdiocesan Superintendent of Schools as well as the founder of First in Math, Robert Sun. The awards ceremony was held at St. Laurence in Upper Darby and we were recognized for being the #3 school in the archdiocese as well as nationally ranked as the 25th school. This is a most admirable accomplishment on the part of all our students especially since we were the only "one classroom per grade" school in attendance.

A brochure prepared by the Archdiocese of Philadelphia is included in today's communication. Please read the information carefully and retain in a safe place should you need it in the future. The information contained also gives you an overview of our Safe Environment Program put in place to ensure the safety of our students.

Please see the included invitation to the celebration of the Opening of Our New Church Hall on Saturday, May 30th along with the dedication of the chapel on Sunday, May 31st, following the 11:30 Mass.

We are very excited about the Summer offerings we have available at Immaculate this year. Classes are not limited to Immaculate students so don't delay to get your time slot! Registration forms and info are on our website.

Included today:

- Summer Information Flyer
- Safe Environment Program Flyer
- St. Charles Seminary Flyer for boys in Grades 6, 7, 8.
