

Notes from Dr. Greco
June 3, 2010

Congratulations to our Kindergarten students who were awarded their Certificates this morning for successfully completing their Kindergarten year. Tomorrow will be their final First Friday Mass for the year with us as well as the last First Friday Mass for their 8th grade prayer partners.

On Sunday, June 6, on the feast of the Body and Blood of Jesus, you are invited to participate in the 12th Annual Corpus Christi Procession (held rain or shine). The Procession begins and ends at Immaculate Conception. Our starting time is 12:30 with a projected end time of 1:30pm. A letter from Mrs. Grabowski, our DRE, and a flyer was sent home with students yesterday.

We also invite you to a Jenkintown Community Concert Band performance on Sunday, June 6th at 3pm. The concert will be held in the gazebo at Jenkintown Square. Members of the band (directed by Mr. Schmauk) include many of our graduates and the music is an inspiration for those who attend. We hope to see you there!

Reminder: There is an important update from George O'Connell regarding the CYO's use of the Jenkintown track. Please be sure to read it for this important information.

Congratulations to the Blue team for being the winner of this year's Color Day. The entire day was a well matched and friendly competition - fun for all. Thank you to Mr. Roken, our Home & School Association, and especially our 8th grade students for their planning and coordination. The behind the scenes planning is the secret to making the day special for our students.

Hershey Park tickets go home today to those who ordered them through Hershey Park's partnership with the Archdiocese.

The Coordinator for Vocations to Consecrated Life is sponsoring a Girls of Goretti Vocations Conference for students to attend The Malvern Retreat House on June 23rd to learn about the life of St. Maria Goretti who is known as the patron saint of teenage girls. Detailed information and the registration form was sent home with our girl students in grades 5, 6, 7, and 8.
