

Notes from Dr. Greco
October 14, 2010

We are happy to share with you that Mrs. Krist, our 1st grade aide, continues to be doing very well. She has one more surgery in early November and hopes to rejoin us some time in late December or early January. She extends her gratitude to our school community for continuing to remember her in your prayers.

Our Home & School Association thanks you for your support of our Kid Stuff sale. We sold 131 books this year, almost meeting our goal of 150 books. We also have Entertainment Books that will be available at the scrip table on the weekends. A final report will be out after November 5th as soon as our final monies are in.

We are offering our new chicken salad "option" for lunch. Please read the instructions included today for completing envelopes.

We are half way through our 1st Trimester marking period and Progress Reports go home next Thursday, October 21st. Please feel free to contact your child's teacher if you have any questions. (Parent conferences are scheduled on Friday, October 29th. Assigned times for parent conferences are with your communications today.)

McDevitt High School will be performing *Thoroughly Modern Millie* in the spring and extends an invitation to 7th and 8th grade boys to audition for roles in the play. If you are interested, please call Chris Seifert at 215-887-5575 x257 for time and place details.

Our newspaper, *ICS Fun*, is back and we are aiming for the publication date of 10/28 for our first issue. Rosalie Baseman, Annelise Depman, and Kelly Duddy are our senior editors. Meeting notes and due dates are posted on Mrs. Cipolla's Teacher Web. If your child is involved, a quick reminder of due dates would be most helpful for our meeting our publication date.

Next week teachers will be presenting the required Safe Environment lessons in grades K to 8.
