

Parent conferences are scheduled for tomorrow, Friday, October 29th. Conferences are an opportunity for you to team up with your child's teacher to make good things happen. Ask your child if he/she has any questions, he/she'd like you to ask. For grades 6, 7, 8, where your child attends the conference with you, encourage him/her to ask questions. You know your child better than anyone else. Sharing some of what you know with the teacher will make it easier to meet your child's needs. If you feel the need for a follow up conference, you are most welcome to set up an appointment at a later date with your child's teacher.

ICS Fun 's first issue is out today. Our 5th through 8th grade writing staff were visited by Mike Morsch, the executive editor of Montgomery Newspapers, last week. Mr. Morsch shared his advice and offered the wisdom of his experience as a writer and editor. You can catch some of his visit with students on his blog (with video, too) at <http://bit.ly/9KlOnF>.
