

IT IS YEARBOOK TIME AGAIN

Once again this year our school will publish a full color yearbook. The book, a soft-bound edition will include two pages of pictures for each grade. One page will be class photographs and the other page will be a montage of pictures of that grade during this school year. These pictures will be taken by the classroom teacher. Other photographs will include clubs, teams, and school-wide activities. Grade 8, our graduating Class of 2012, will have additional coverage.

Each book will cost \$25.00. Checks can be made payable to Immaculate Conception School. Please put payment in the provided envelope or a plain envelope marked:
